Complaints Office

A photograph of a man and a woman sitting on a balcony. The man is on the left, wearing a pink shirt and holding a white mug. The woman is on the right, wearing a colorful patterned dress. They are both smiling. The balcony has a white railing and a hanging planter with green plants. The background shows a large tree and a view of a landscape.

You have the right to safe and ethical health care.

A Code of Conduct has been implemented to set minimum standards of practice for certain health care workers.

Contact us if you think your health care rights have been breached.
